

## REMARKS

Claims 2-19 have been cancelled. Claim 1 has been amended to clarify the subject matter regarded as the invention. Claim 1 is pending.

The Examiner has indicated that claim 1 contains allowable subject matter. Claim 1 has been amended to overcome the rejection under 35 USC 112, 2<sup>nd</sup> paragraph. It is therefore believed that claim 1 is allowable.

The specification has been amended to cancel matter objected to as being new matter as indicated by the examiner. Specifically, part B (page 8), parts C, E, F, and K (page 9), parts M-P and R (page 10), last paragraph on page 14 and continuing at the beginning of page 15, sect B (page 16) through the end of page 19, and Figures 2 and 3 were canceled. Figure 1 was amended to remove matter objected to as being new matter.

Reconsideration of the application and allowance of all claims are respectfully requested based on the preceding remarks. If at any time the Examiner believes that an interview would be helpful, please contact the undersigned.

Respectfully submitted,

Dated: October 25, 2015
